HERITANCE  
KANDALAMA

*Breathtaking Beginnings*

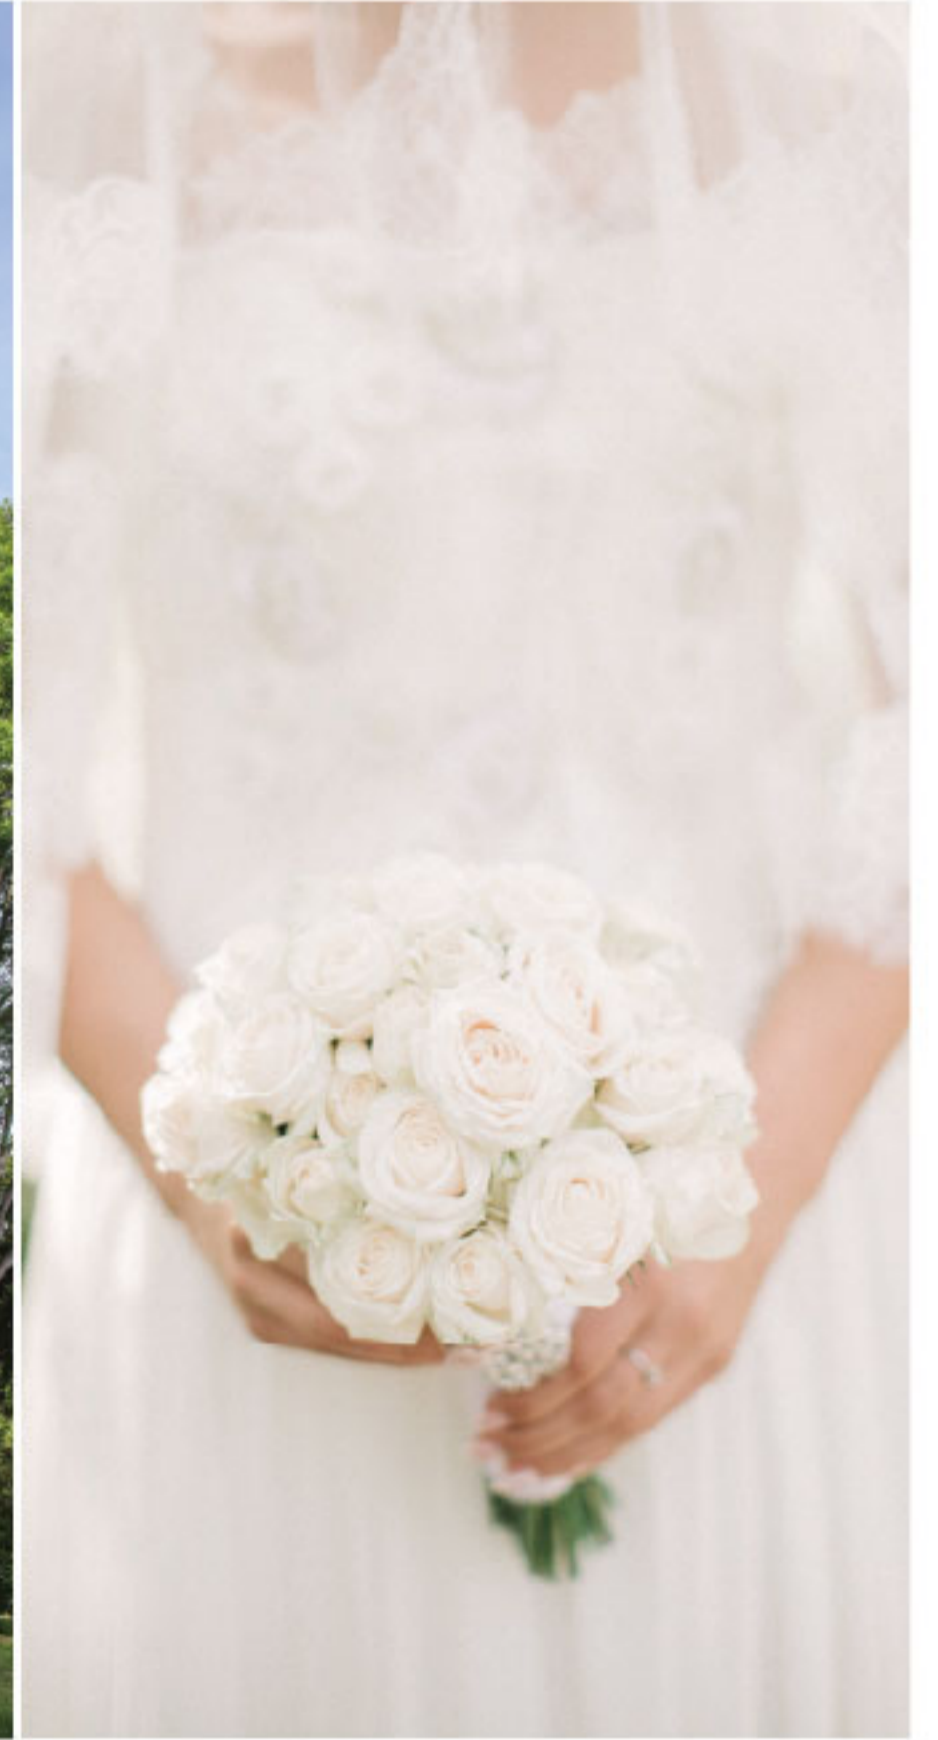

An architectural masterpiece overlooking the eighth wonder of the world, Heritance Kandalama is an eco-hotel designed by world renowned architect Geoffrey Bawa that stretches across a remarkable one kilometer.

Located in the cultural triangle, this 152-room majestic property is the best embodiment of happiness and unbridled luxury, making it the ideal destination for the enchanting fairytale wedding you've always dreamed of.

# A Spectacular Destination

Steeped in history, charm and romance Heritance Kandalama resonates the dream setting for a memorable destination ceremony; with 360-degree views that fascinate you, natural cascading confetti and the incredible sunset.

Choose to host an extravagant ballroom celebration or move away from the confines of four walls and plan a picturesque outdoor wedding. Our eco-responsible designs and lush green spaces give a natural elegance to your green wedding.

Wed with Heritance; we go the extra mile to design 'the' wedding of your dreams.

## A Decadent Feast!

In Sri Lanka we cook with heart, we cook with love and a lot of laughter. Age-old recipes, the freshest produce, exotic island secrets and contemporary flair makes every meal a celebration.

Heritage Kandalama offers an extensive variety in your celebratory buffet, featuring versatile, fusion cuisine influenced by local flavours and culture.

Additionally, a custom wedding cake, champagne and/or sparkling cider toast and a four-hour beer or wine bar are available on request.

# Timeless Elegance Awaits...

We, at Heritance Kandalama joins in on the excitement of planning your special day to perfection. Our dedicated wedding coordinator will guide you through the best possible designs to suit the spirit of your big day, keeping traditions and your preferences in mind, leaving you with all the fun and no stress.

Flawless execution is inherent to the hotel's efficient team and we pay careful attention to detail, to assure you the perfect wedding soirée.
