WHERE HISTORY, INSPIRATION AND PASSION MEET

The historical Hethersett Estate hosts the Heritance Tea Factory on the peak of its most majestic mountain. History, legend, inspiration and passion are blended to perfection with indulgence, comfort and personal service to offer the sophisticated traveller an exclusive experience of the world's most famous cup.

‘UP COUNTRY’ CHARM

Against the backdrop of Sri Lanka’s treasured tea country or ‘up country’ as it’s fondly referred to by its countrymen, the Heritance Tea Factory is a proud presentation of elegance and charm. The warmth of which is felt as soon as you arrive.

The bold tones of freshly brewed tea enhance the elegant charm of the lobby; the hardwood floors rich with the fragrance of tea plucked and processed over a century, freshly polished brass glistening in the light of the fireplace and a genuine warmth and thoughtfulness that is felt in every smile and every nod.
The Heritance Tea Factory feels real and true... it's tea for the soul!

HOW CAN WE MAKE THINGS MAGICAL FOR YOU TODAY?

A simple little question that makes everything different seems to capture the Heritance way. Your personal butler and the passionate men and women of the Heritance family will ensure that everything is always as you like it.

We hope you enjoy your private viewing gallery of our distinguished highlands... panorama, history, tradition and natures finest cinema perform all day and night for your pleasure. All modern comforts included with our complements.

High Tea is served in the cloud garden.
A precious tradition first practiced nearly
150 years ago.

In Sri Lanka we cook with heart and soul... and love. Heritance Tea Factory celebrates every meal with exotic island secrets and the freshest produce sourced from local artisanal farmers served with contemporary flair.

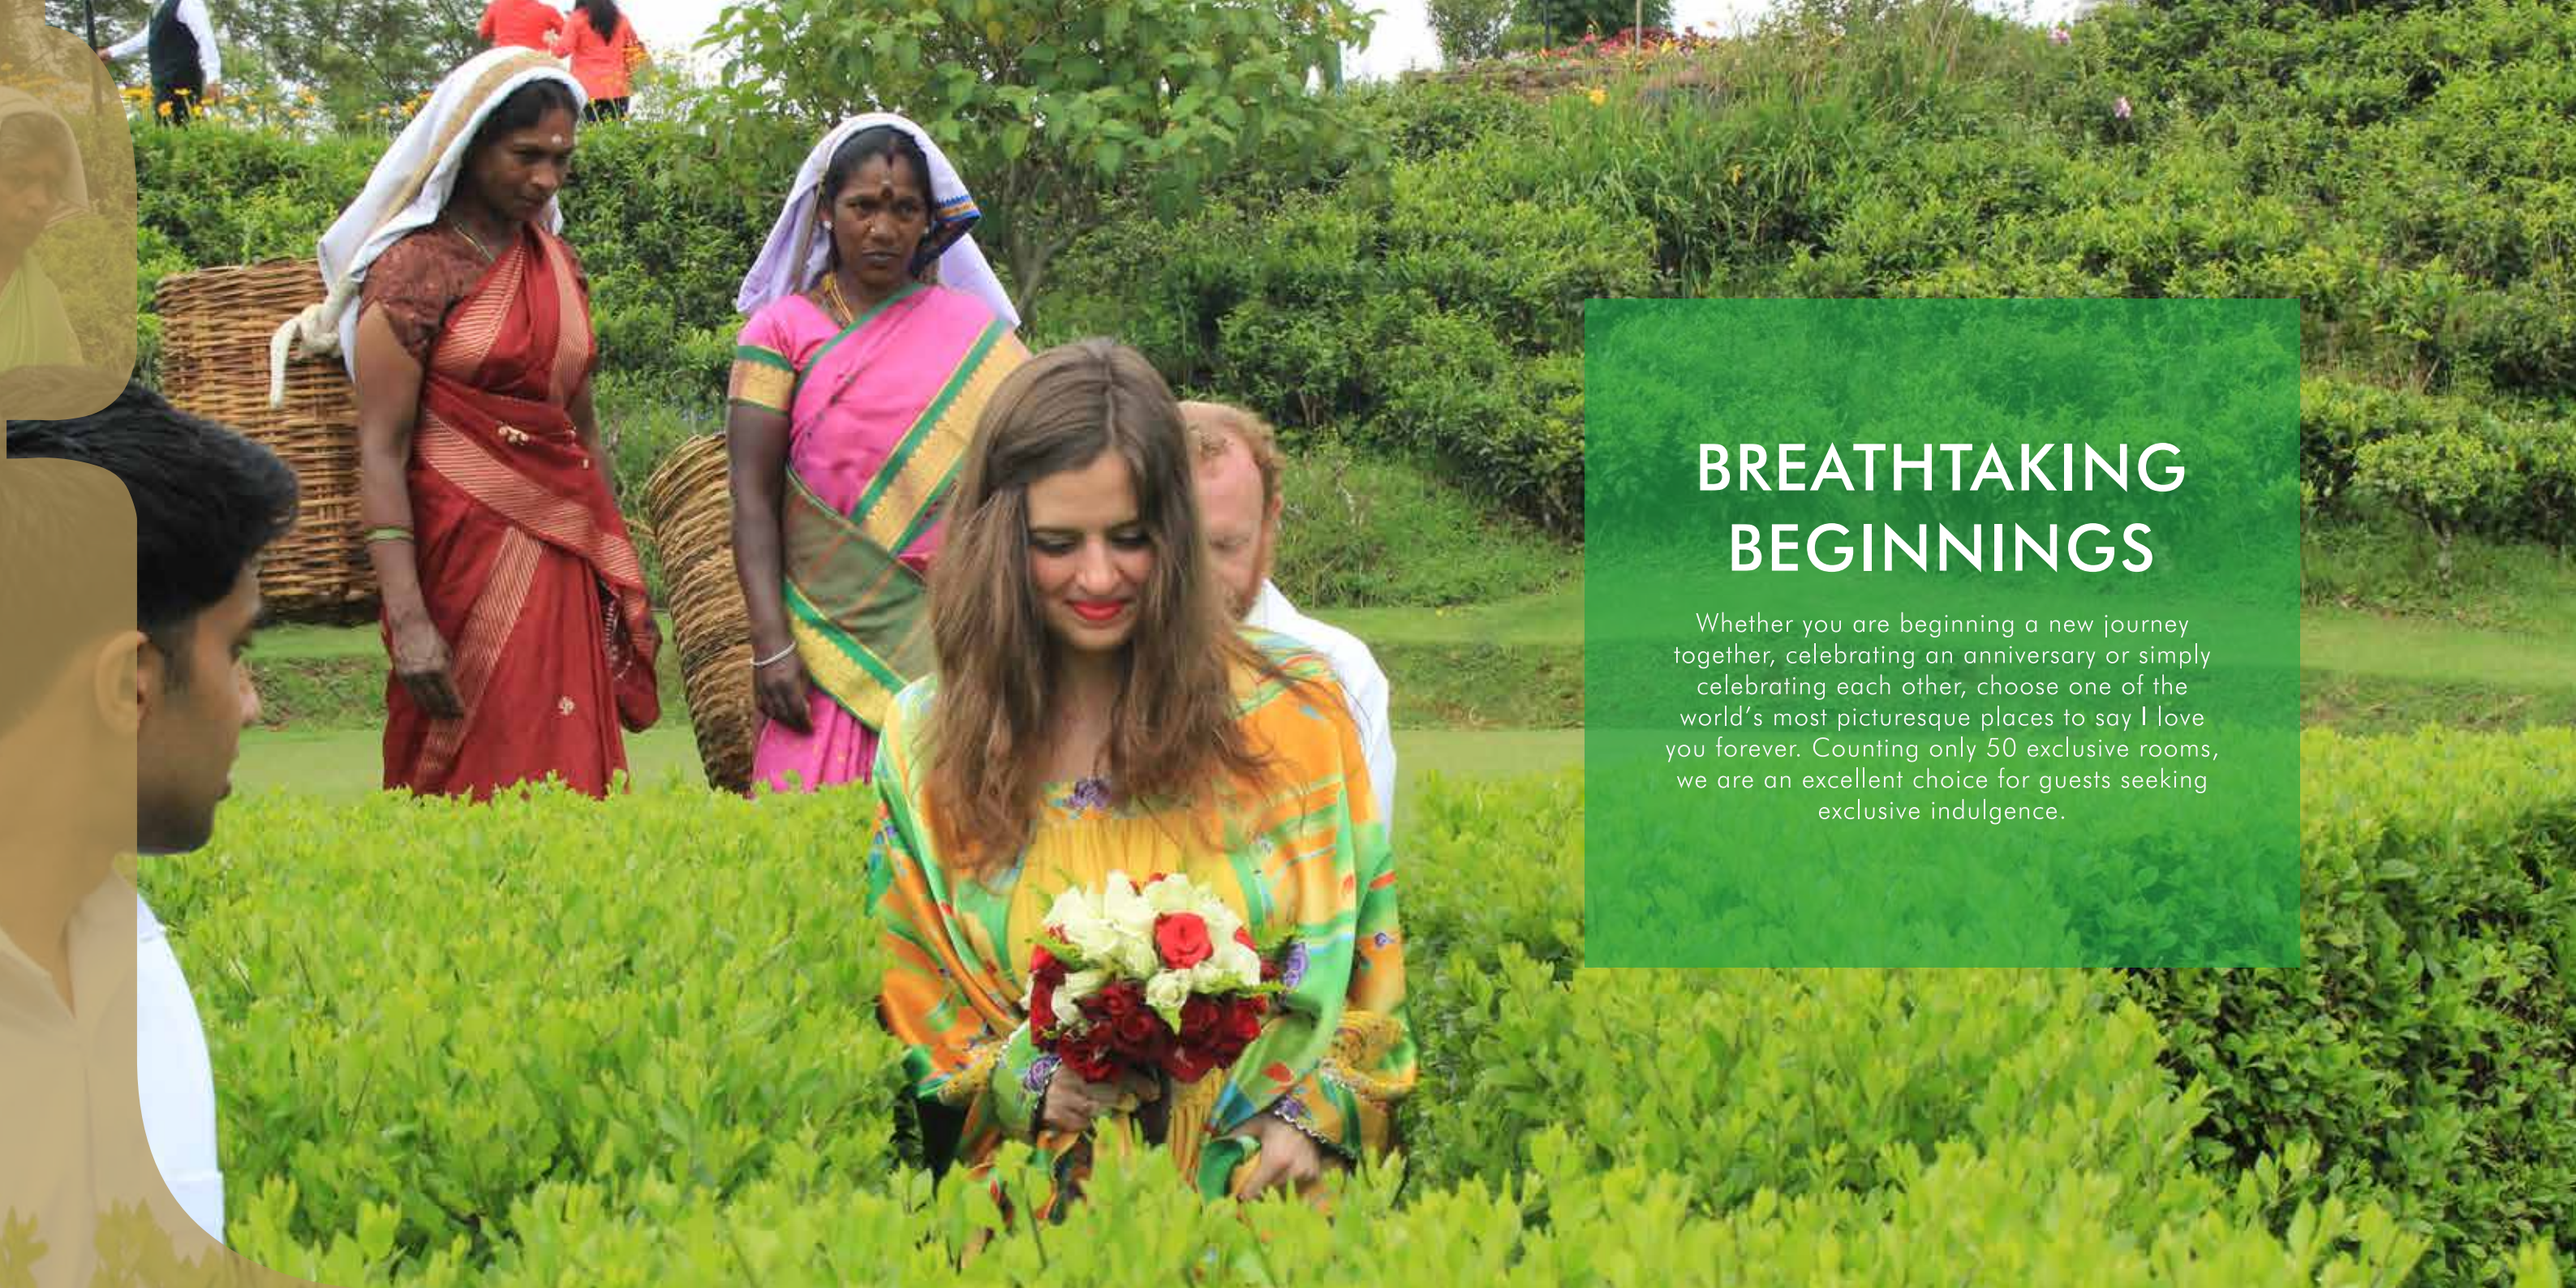
A fine dining adventure that takes
you through 148 years of history,
which is told over 7 delicious courses.

Craving something more exotic?

We are happy to arrange a picnic breakfast, lunch in forest or dinner in a converted railway carriage...imagination and inventiveness are always in season here.

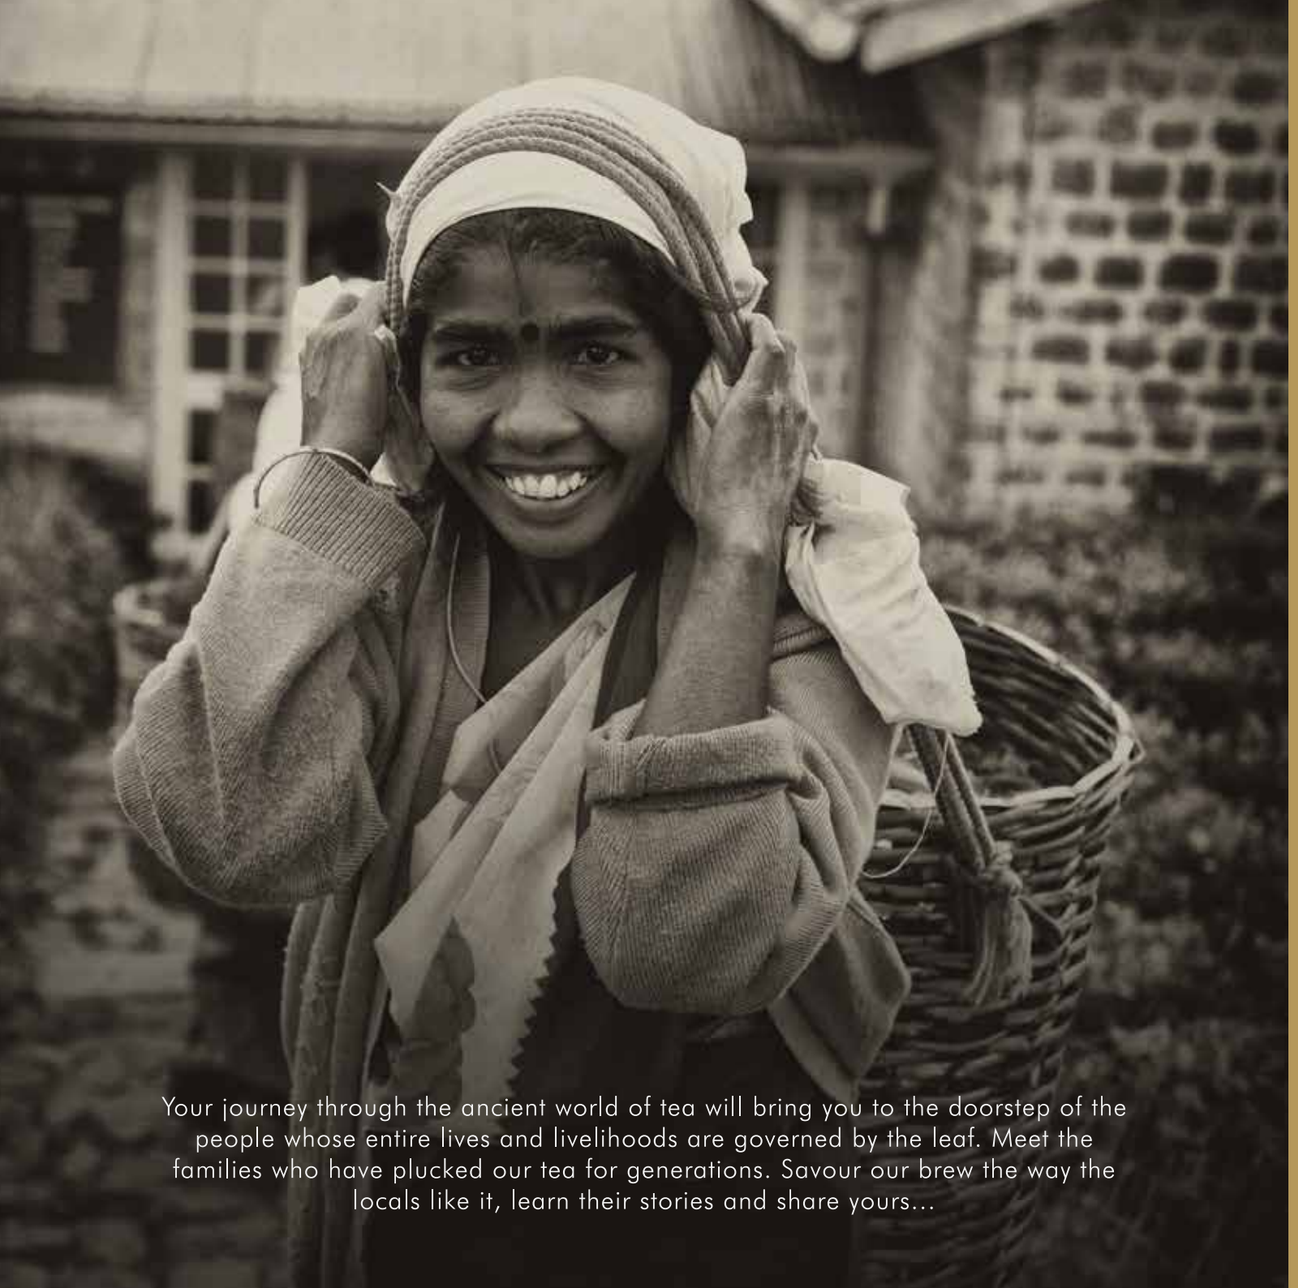
A serene haven

A remote mountain retreat with temperatures that sometimes rival a European winter in the middle of a tropical island... spectacular! A sentiment that amply describes our Spa experience. Here the modern art of wellness meets centuries of wisdom and healing craft.



BREATHTAKING BEGINNINGS

Whether you are beginning a new journey together, celebrating an anniversary or simply celebrating each other, choose one of the world's most picturesque places to say I love you forever. Counting only 50 exclusive rooms, we are an excellent choice for guests seeking exclusive indulgence.



Your journey through the ancient world of tea will bring you to the doorstep of the people whose entire lives and livelihoods are governed by the leaf. Meet the families who have plucked our tea for generations. Savour our brew the way the locals like it, learn their stories and share yours...

after all perhaps it's a cup of tea
that makes the whole world kin.

To really, truly know tea you have to don a saree, hoist a basket on your back and learn to pluck the tea. A symphony of leaves and buds form the basis of every cup sipped around the world. Experience the process in our mini tea factory and finally taste the various blends with our master tea taster. The experience is rich with extraordinary passion and pride.
