

Further exploration of Hill Country is a must, with several options depending on your allotted vacation time. Ella is a great stop, even if just for the day to hike Little Adam's Peak and to see the famous trains pass over Nine Arch Bridge. For the best tea plantation visits, a drive to Nuwara Eliya offers the best vistas of lush green countryside dotted with tea plantations for which Sri Lanka is so well known. One of the most unique hotels, Heritance Tea Factory, was actually the first tea factory to have been converted into a hotel, earning a UNESCO Merit Award for its restoration. This hotel offers the ambiance of colonial times while providing a luxurious and authentic experience. Discover the tea-making process with a Heritance Mini Factory Tour and learn first-hand how to pluck your own tea leaves, or opt to simply sample all the varieties with a tea tasting. You will discover why Sri Lanka is famed for producing some of the best quality tea in the world.
