Madu Ganga River Safari	The Madu Ganga estuary boasts a diverse ecosystem with mangroves and islands, possibly one of Sri Lanka's last pristine mangrove forests. A boat trip offers glimpses of monkeys, water monitor lizards, and various bird species. Combine this safari with fish therapy, traditional Oruwa fishing, island temple visits, and a unique dining experience on Meeralu doowa Island.	Madu Ganga – Meeralu Doowa island	10.00am – 2.00pm	LKR 35,000 per couple	Includes: <ul style="list-style-type: none"> <li>- Transport to the dock &amp; back</li> <li>- 60 minutes boat trip with refreshments</li> <li>- Wild BBQ lunch @ Meeralu doowa Island</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Kindly be advised that safari availability may vary due to weather conditions. Should this occur, no payment refunds will be made but the hotel will provide a five-course set menu seafood beach dinner as a substitute.</b></li> <li>• <b>The rates may vary due to unforeseen fluctuations in fuel prices and government taxes. In the event that there are any rate discrepancies due to increase in price, the guest will need to settle the balance directly at the hotel.</b></li> </ul>
