

HERITANCE  
KANDALAMA

FACT SHEET

Envisioned and created by architect Geoffrey Bawa, Heritance Kandalama is an architectural wonder stretching a remarkable 1km and is almost invisible amidst the greenery that surrounds. Promising panoramic views from wherever you stand, the hotel itself is a unique Sri Lankan tourist destination which doesn't just sit on the landscape but is naturally, a part of it. From the inception of the hotel, the theme of sustainability was ingrained into the Heritance Kandalama DNA and follows international conservation practices until today.

With hospitality at heart, the five-star resort denotes originality in every guest experience and ensures you receive the very best while on holiday.
